

Many kids like Zac are in and out of care. Can you help?

Foster Care Newcastle

There is a severe shortage of foster carers across Newcastle, Lake Macquarie and the Hunter region.

Help us to spread the word and encourage people to open their homes to those who need it most.

Talk to your family, friends, neighbours, sporting clubs, or anyone you think might be able to support these children and young people.

Visit www.fostercarenewcastle.org.au to download resources to share with your community.

Your support could change a life today.
